BOARD ORDER**

The Alabama Board of Pardons and Paroles met on this 25th day of April 2023, in open public meeting, at which time the following Board Members were present: Leigh Gwathney, Chair, Darryl Littleton, Associate Member, and Kim Davidson, Associate Member.

Following a Board decision to deny parole, the Board's practice has been to set a future parole consideration date. The Board's discretion to set the date is limited by operation of Ala. Admin. Code 640-X-3-.03. When the maximum setoff date is beyond the end of sentence (EOS) date as calculated by the Alabama Department of Corrections (ADOC), the Board may order that no further parole consideration be given prior to the EOS date.

The Board is aware that when ADOC recalculates EOS dates for individual inmates, the EOS date can change and will sometimes be moved beyond the maximum setoff allowed following the prior denial of parole by the Board. In those cases, the Board hereby orders that the Board Operations unit of ABPP reset the date for future parole consideration to the maximum allowed by law.
